## Did you know?

That the entire Canadian Forces community consists of about one million people? This is a significant amount and it carries much influence with corporate Canada. The **Canadian Forces Appreciation Program** was created to leverage the influence of this community at local, national and international levels. Stay with your loved ones at a beachfront resort in Mexico, a well-appointed cabin in the Canadian Rockies, or a centuries old home in the English countryside. Take your leave at a do-everything resort near Orlando's theme parks, Greece's ancient ruins or Tuscany's rolling hills. By combining special offers exclusive to the Canadian Forces community, you can make the most of your holidays. With eight distinct categories, the options are endless.

- ✓ **Accommodations:** Hotels and condos in more than 80 countries around the globe.
- ✓ **Attractions:** Across Canada and throughout the US, plenty to keep you and your family busy.
- ✓ **Dining:** What is your mood for tonight? A list of culinary choices awaits.
- ✓ **Entertainment:** From movies to mini-putt, racing to rock climbing, keeping you entertained.
- ✓ **Home & Lifestyle:** Relax the mind, body and spirit. Get back to those hobbies you have been putting off.
- ✓ **Shops & Services:** Great deals on everyday items and needs.
- ✓ **Transportation:** Car rental, airfare, train and bus tickets; anywhere you need to go, get there cheaper.
- ✓ **Travel:** Exclusive discounts on all-inclusive packages, vacations and cruises.

## Top Travel Tips

1. Always carry a copy of your passport when you travel and keep it somewhere safe.
2. Take a photo of yourself standing next to your bags, to give a good idea of the bags' sizes. Keep the shot in your camera if needed to help airport staff find your luggage.
3. To prevent leaving your phone, camera or tooth brush charger in your hotel room when you check out, unplug the charger every time you remove your device and put it back in your luggage.
4. Pack zip-lock bags in a variety of sizes, ideal for packing things tightly, separating wet from dry and managing small items like batteries.
